Dear Concerned Ohioan:

Opportunities for Ohioans with Disabilities (OOD) is proposing amendments to four Governor's Council on People with Disabilities administrative rules. The reason for these rule proposals is to incorporate the new OOD agency name and to update the statute authorizing reference. The notice of public hearing and a copy of these rules are enclosed/attached.

In the written version of the rule, new language is underlined, and deleted language is lined through. The notice of public hearing and the rules are available in an electronic Word Format, and also in regular or large print, if needed as a reasonable accommodation.

OOD is providing this information so that any interested persons or groups may review it before the public hearing that will be held on Tuesday, December 20, 2016 at 9:00 a.m. in the OOD Commissioner Conference Room, 150 East Campus View Blvd., Columbus, Ohio. Anyone may comment on the proposal either by attending the hearing, or by submitting comments in writing to Kevin Miller, Executive Director, before the public hearing date.

SPECIAL NOTICE: OOD will distribute the rule proposals and notice of public hearing electronically. If you would like to receive information electronically, please forward your e-mail address to Debbie.Stevens@OOD.ohio.gov.

Should you have questions concerning these rules, please contact Michael Rodgers at 1-(800)-282-4536, extension 1217.

Sincerely,

Michael Rodgers, Esq.
Chief Legal Counsel
